With reference to the Government Notification No L 11165/C M 1-55-68 dated 9th December 1955 authorising me to hear objections under Section 5 (A) Land Acquisition Act on the above subject, I write to state that notices under Section 4 Land Acquisition Act were issued and served on the notified owners calling for objections if any under Section 5 (A) Land Acquisition Act on the proposed acquisition before 16th January 1956 In response, the owners of properties items numbers 1 and 2 in the notification have replied on 6-1-1956 that they have no objection on the proposed acquisition The owner of Item No 3 Door Nos 2 and 3 Sri S Sanjeeviah has presented an application on 13-1-1956 and stated as follows -

(1) The proposed acquisition of his house does not serve any public purpose and there is no agitation from the public

(2) Now there is cement concrete road it is sufficiently wide etc

(3) By acquiring 71½' x 7½' at present the value of the remaining building will go down

(4) They are living out of the income of the said property and for the above reasons, the present acquisition proceedings may be dropped

p t o

The reasons quoted by the owner Sri S Sanjeeviah for dropping of the present acquisition on his property are general and they are not valid objections It is but common, that the owners of properties proposed to be acquired generally do not like to part wit them and state some grounds or other to drop the proposals So als in the present case As seen from the plan enclosed only a minor portion of the property will be acquired and the remaining portion of the property will not be materially affected Therefore, the objections of the owner or Door Nos 2 and 3 may be over-ruled in this proposal A copy of the petition is herein enclosed for reference

The draft final declaration statements in duplicate both in English and Kannada are herein enclosed for favour of arranging publication in the official gazette

The estimated cost of acquisition amounting to Rs 9,528/- will be met out of the Corporation funds in the current year's budge allotment

I request that sanction of Government may kindly be obtained for this proposal authorising me to take orders for the acquisition of these portions of the properties under Section 7 Land Acquisition Act

The Compiler Mysore Gazette, may be requested to send 25 spare copies of notifications of each set to this office as usua

Yours faithfully,
